MEMORANDUM FOR : Deputy Director (Support)

SUBJECT : Nomenclature and personnel  
reporting of Clandestine Services  
Staff units.

1. Recently an analysis of the Clandestine Services staffs was made by this office for the Director. This study brought out the fact that the so-called "staffs" in many cases contain operating non-staff elements of considerable size, (such as TSS, RI, or [REDACTED] FI) which greatly distort personnel reports.

2. The DDCI commented that:

"I think we should take steps to change the names of some of these incorrectly named 'staff' units to terms more nearly reflecting their true status."

3. I heartily endorse the recommendation made by General Cabell, but find that such a change affects not only nomenclature but also the personnel reporting mechanisms of the Agency. I would like to request, therefore, that the Management Staff be asked to study and recommend proper procedure.
